

GROUND TRAINING (Qualification/Certification Record)

NAME OF TRAINEE <i>(Last, First, Middle Initial)</i>	GROUND TRAINING PERIOD																												
		GROUND TRAINING												GR															
1. AIRCRAFT EMERGENCIES																													
a. EMERGENCY SIGNALS																													
b. RAPID DECOMPRESSION/EMERGENCY DESCENT																													
c. CRASH LANDING																													
d. DITCHING																													
e. FIRE/SMOKE/FUMES																													
f. DOOR WARNING LIGHTS <i>(C130/C141)</i>																													
g.																													
h.																													
i.																													
2. AIRCRAFT EMERGENCY EQUIPMENT																													
a. FIRE EXTINGUISHER																													
b. SMOKE MASK/SMOKE GOGGLES/PBE																													
c. CRASH AXE																													
d. EXITS/CHOPPING AREAS																													
e. ESCAPE ROPES/SLIDES/LADDERS																													
f. EMERGENCY LIGHTS																													
g. FIRST AID KITS																													
h. LIFE PRESERVERS/RAFTS																													
i. PORTABLE O2 BOTTLES																													
j. SMOKE DETECTORS (C-9A)																													
k.																													
3. AIRCRAFT SYSTEMS																													
a. STANDARD CONFIGURATIONS																													
b. OXYGEN <i>(Patient/Troop/Crew)</i>																													
c. ELECTRICAL																													
d. LIGHTING																													
e. COMMUNICATIONS SYSTEMS																													
f. ENVIRONMENTAL SYSTEMS																													
g. VACUUM SYSTEM (C-9A)																													
h. GALLEY/LATRINES																													
i. DOOR WARNINGS																													
j.																													
k.																													
l.																													
4. NURSING CONSIDERATIONS																													
a. BLOOD DYSCRASIAS																													
b. BURN PATIENTS																													
c. CARDIAC ARREST/CARDIOLOGY																													
d. COMBAT WOUND MANAGEMENT																													
e. DEATH INFLIGHT MANAGEMENT																													
f. EAR/SINUS BLOCK PATIENTS																													
g. EYE/NOSE/THROAT																													
h. GI/GU																													
i. HYPERBARIC O2 THERAPY PATIENTS																													
j. HYPOXIA/HYPERVENTILATION																													
k. INFECTION CONTROL																													
l. INFLIGHT BIRTH/OBSTETRICS																													
m. MAXILLO-FACIAL INJURIES																													
n. MENTAL HEALTH																													
o. NEURO PATIENTS																													
p. NUCLEAR/CHEMICAL MANAGEMENT
